Tri-County ATV Recreation & Rescue

Dear Member,

It's hard to believe it's June already as things have been moving so fast. April brought us a fabulous start to the season with our first ever Open House. We had almost 900 people attend including members. We welcomed 71 new members, 45 the day of the event and 26 within the 10 days that they could still apply their entrance fee towards membership.

We want to thank every member for their hard work to make Open House a success. Marcia and her team went above and beyond in the children's area and the egg hunt, thank you so much.

May brought us the season opening poker run. Everyone who attended had a great time. The attendance was lower than expected due to a combination of reasons, bad weather, other rides, graduations, first Saturday ride, etc. Everyone who did come went away happy though with good food, GREAT PRIZES and little traffic. The weather turned beautiful around 1pm making for a great end to the day.

The first race of our drag circuit was June 10th. The track committee slaved day in and day out to get everything done. We now have a race building donated by Krumenacker's Building Supply, a storage area, lighting system, PA System, trophies and more.

Thank you to all the block layers who showed up to help and got rained out- we appreciate you coming. A huge thank you to those that layed block in the

scorching sun, set the building- thank you to Lee Smith form Victory Signs for his Crane donation, put in windows, ran the machinery. They have spent countless hours and we are forever grateful.

The First Race was great. All participants loved the trophies and cashes. Every child that entered received a trophy.

Many hands do indeed make for light work, making us a club built by members for members.

THANK YOU!

Deep Thoughts:

It's the things we do today that we don't have to do that will determine where we are and what we will have tomorrow..... when we can't do anything more about it.

Many members have reached the 1/2 way mark in earning their points.

CONGRATULATIONS!

There is still plenty of time to earn your points for a FREE trip to Hatfield and McCoy Trails with the club.

As a reminder:

- members must be signed up to have your points tracked.
- Members earn points for activities including meetings, workdays, events, fundraising etc.

Sponsorship Programs 2006

This year tiered level sponsorship opportunities were announced.

Titanium

Platinum

Gold

Silver

Bronze

*Corporate

Each level brings with it variety of entrance levels and benefits.

Sponsorships run on a yearly basis and bring needed revenue into the club. This years sponsorship programs have allowed us to provide members rides and activities, expand and upgrade the track for starters.

The higher the level of sponsorship the greater the monetary support.

Titanium sponsors have made a SIGNIFICANT contribution to our club.

Please look to our sponsors when doing business as most offer a discount to our members in addition to the support they have shown us.

Do business with the people that do business with you.

If you have a business or know of one that would like to support us please contact Ann 814-948-8783

President's Corner

First off I would like to say a heart felt thank you to all our members who give up there time this month to make our club a success Bob, Randy , Cheryl , Nikki, Spoke, Bill, Keith, Rich, Marcia, Tom, Jan, Joe, Christopher, Scott , Harold , Rich, Brandy, Joann, Ann, Yoli, Roger, Max, Fred, Greg, John, Carl and countless others that helped.

Whether it was building, cleaning up, cementing , wiring , cooking , mowing or just lending a hand when needed everyone's help is appreciated.

When we aren't working we get to play the club attended its first ride with us poker run at Blue Knob an 32 of our members showed up and a great time was

had by all.

I am looking forward to our next ride at Madera with all our members.

I also believe we should respect our fellow riders whether it be a four-wheeler or dirt bike and help them out when in need. Not roost by them and cause them to crash as we experienced at Blue Knob.

Our club has been growing over the past few months and as president I have got to meet alot of the members some old an some new and I would like to introduce our newest members to the club Bill and Eric Saul who had the pleasure of a Presidential tour.

They are great guys to ride with and I look forward to putting on many miles with them. So if you see them around give them a great big Tri-County welcome.

Tom Shaffer

P.S. Bonus Point days
